# GIFTS THAT TRANSFORM

Every gift to the Church is meaningful and appreciated. As you make this commitment, you can be sure that we will be good stewards of these gifts, so that each contribution is used to transform our community -- in the Village and around the world.

**7 POINT STEWARDSHIP**  
 Prayers \* Presence \* Gifts \* Service \* Witness  
 Working for Justice \* Committed to Inclusivity

## Moving toward the Tithe

We encourage you to donate purposefully, moving to a higher level in your giving if you're able. To show a deep commitment to faith, you may want to consider the tithe, which some people interpret as 10% of their gross or net income, while others define it as 10% of their discretionary income. However you determine your giving goal, we value your commitment.
